Given below are guidelines for solving the case study:

All the participants are expected to solve the case study on the following guidelines:

Situation Analysis: Based on the data given in the case, analyse the external environment under the heading of economy, technology, public policy and culture. For the internal environment, identify the strengths and weakness under the heading of leadership, innovation, marketing, finance, HR and other.

1. If needed, different management models can also be used.
2. Identify the main problem(s) given in the case.
3. Extract only the relevant information from various sources, by giving appropriate reference.
4. Find out the reason for the development of these situations.
5. Strategic alternatives: To overcome the problem, mention alternatives that are now available from worst to best.
6. The choice: Offer specific recommendations.
8. Participants will have to submit their case analysis in MS-Word format.
9. The document should not have more than 2000-2500 words.
10. Participants should ensure that font size should be Times New Roman 12 pt and Times New Roman 14 pt for Headings. The page margins should be 1.5” on left and 1” on top, right and bottom.
11. Line spacing should be 1.5”
12. Students are required to mention references as per APA reference style. e.g Author, A., Author, B. (date of publication). Title of document. Retrieved from http://xxxxxxxxxx
13. Plagiarism is strictly prohibited.
14. Please save the document as “author name_institute name” for e.g “Shraddha Dalvi_Indira Institute of Management”.
15. You need to forward the Case Study Analysis Document on curious2019@indiraiimp.edu.in
16. Please include your UID in the subject line.
FAQs

Who can participate?
Ans: Curious 2019 is open for all post graduate (PG) management students and faculty members. The team will be comprised of a faculty member and two students. No limit on the number of teams participating from the same Institute.

What is Case Study?
Ans: A Live case study is an intensive analysis of individual unit (e.g. a person, group, or event). The live case offers a unique and challenging opportunity to take on a real business challenge. Case studies may be descriptive or explanatory.

What is Curious 2019 all about?
Ans: CURIOUS 2019, organized by IIMP is a “International Online Case Study Competition” for Post Graduate, Management Students. “CURIOUS 2019” has proved to be a platform for the aspiring managers to showcase and prove their problem solving and analytical mettle by analyzing a live case. Such events not only train them to deal with problems in a limited span but also boost their confidence to provide instant solutions to the contemporary issues.

Process of Curious 2019
Ans: Teams will have to undertake online registration process for participating in the case study competition. Registration Fees – Rs. 590/- per team will be applicable. A Unique ID will be sent through email after completion of the online process. On completion of the registration, a live case will be forwarded on the email ID provided by the participants. Before or on the last date (Tuesday, 19th March, 2019), the solved case must be sent by the team on email address: curious2019@indiraiimp.edu.in.
